GOLD LUST

OLD Lem Perkins stalked proudly into the U. S. Claims Office and threw his hat down on a table.

"I'm claimin' west of Split Rock for three miles in each direction," Lem said in a determined tone.

Bill Morrison, Claims Register Director, looked up with a smile and shook his head slowly.

"Again, Lem? You've been claiming and giving up claims every week for the last twenty years," he said. "When do you think you'll find a claim that's any good, and hold on to it?"

"This one's good, Bill. Good as . . . gold."

Old Lem lowered his voice as he uttered the last word.

Bill's eyebrows arched, and he looked more interested.

"Mean it, Lem? Maybe you better prospect around a little further. I'll close the office for a while if you want to look at a little more land, before someone else horns in."

"Thanks, pard, but I looked already," he said. "There's just this stretch three miles each way. And it's loaded."

It wasn't often in the Old West that a prospector would tell that much to any man alive, but Lem knew Bill Morrison, and all the folks around knew that Bill could be trusted. He took his job seriously and never let an honest man down.

"Okay, Lem. I'll file your claim. But you better be watching that new land of yours. Blake Courtney's in the county, and he's always been suspected of

claim jumping. Maybe you better get some young friend to ride out with you, so he can help if Blake should try any rough play. Why not Tex Anderson? He's honest and could use a job."

"I'll think it over. Meantime, I got my land registered with you, and if there's any talk, you'll be the witness that the land is all mine. Now I gotta get out and mark it off," Lem concluded.

Lem left the Claims Office, jumped on his horse, and rode away toward his claim, carrying with him signs reading: Property of Lem Perkins—No Trespassing.

At the same time Blake Courtney and his brother, Luke, were riding from Vegas and stopped to water their horses in the stream running past Split Rock. Blake sat down on the sand alongside the water, cupped his hands, and took a long, satisfying drink of the clear, cool liquid.

"Sure is nice-gettin' a drink, Luke," he murmured.

"Never mind the drinkin' when we got business," Luke answered. "Let's start riding again, and get into town. We're plumb out of money and grub, and I'm interested in some easy dough."

"Got any ideas? How we're goin' to get this 'easy dough'?"

"Aw, we'll pick up something in Cheyenne. Maybe it'll be some cash from the Wyoming Bank."

With this last remark, Luke

uttered a spine-chilling laugh, almost inhuman.

"Shut up, Luke. Ain't you got no brains? We gotta act like we reformed, since we were here in Wyoming last time."

"Okay, Blake. I'll shut up when we get to town. But what's wrong with talking out here?"

Blake bent down to take another drink and straightened up with a sharp cry.

"Luke, quick. Come here. There's gold here."

Luke bent down excitedly, and the two desperado brothers examined the ground. They searched all around the area and filled small bags with the yellow metal scattered on the ground near the stream.

"Guess we are respectable now. There's no claim notice here, so it's all ours. Let's get into Cheyenne, claim it, and start working this gold. We're rich, Luke! Rich, and—respectable!"

The Courtneys rode hard into Cheyenne and straight to Bill Morrison's office.

"You the Claim Director?" Blake asked, not waiting for a reply. "We're claimin' some territory here. Name's Courtney, Blake Courtney. Write us down for . . ."

"Hold on, Courtney," said Morrison. "You have to fill out some papers. Let's have your name, residence, any identifying marks you have and then we'll get to the claim."

Blake started writing furiously. Meantime, Bill wondered how to handle Courtney. He

was sure that there was nothing legitimate about any claiming Courtney might be doing. But it wasn't his duty to question, that was the sheriff's or the marshal's job. He just had to be sure that his applicants were not jumping any already established claim.

"Okay, pard, here's your application. Now, the land's..."

"Look here, Courtney," Morrison interrupted him. "I don't aim to respect any claim you make until I'm sure it's legitimate. You got a bad reputation here, and I'm not aiming to file for no gunman, until I'm sure you're changed."

"This here claim's straight, and we're legitimate business men now. Here's proof that we've reformed, and you better give us the respect we deserve..."

When he said proof, Blake took out of his pocket a bag of the nuggets he had grabbed at Split Rock. Morrison's jaw dropped, and with shaky hands, he took the application, and said, "Now, where is this land you're claiming?"

"Near a big Split Rock, west for ten miles and ten miles wide."

Bill went to his file and took out some papers. He appeared to study these, although he knew just what he wanted to say.

"You can have it all except for three miles each way, right from the rock. That's already been claimed."

"Ain't no signs nowhere. That means it ain't claimed."

"Just been taken this morning. Owner's going out 'with markers right now. But you can have the rest of your land."

The Courtneys huddled a moment, and decided that maybe the rest wasn't worth anything. They turned back to Bill.

"Let's see the claim," they said.

Bill turned the paper toward them, but covered Lem's name for fear some harm would come to him.

"Okay, it's real. Now, bud, tear up that paper!"

"I can't do that. This is a government office, and I'm running it straight."

A face appeared at the window. Over the shoulders of the Courtneys, Bill saw Tex Anderson standing in the street, looking into the office.

"Tear it up, I say," Blake shouted and suddenly Bill was shouting down the barrels of two .38's. Bill walked sideways, so that the Courtneys had to follow him with the direction of their weapons. In that way, the guns could be seen from the street, and Tex standing outside, visibly gulped. Then, deliberately Bill tore up Lem's claim into small pieces and threw the pieces down on the floor to accentuate the act he had performed.

Bill took his time finishing the form for the Courtneys. As he got to the last line, the door flew open, and the Sheriff burst in with two deputies and Tex Anderson, all with drawn guns.

"Stick 'em up, Blake. You too, Luke."

In a moment, the Courtneys were disarmed and taken away to the local jail. And, with Tex watching, Bill started to fill out a new claim for Lem, replacing the one that he had destroyed.

"Lucky you moved to the side, so I could see what was going on," said Tex.

"Yeah, Lem's got plenty to thank you for, Tex. Funny, this morning I told Lem he ought to hire you. He didn't, but you did more work for him just now by chance than anyone will ever do for pay!"

NIMO

THE MOUNTAIN LION!

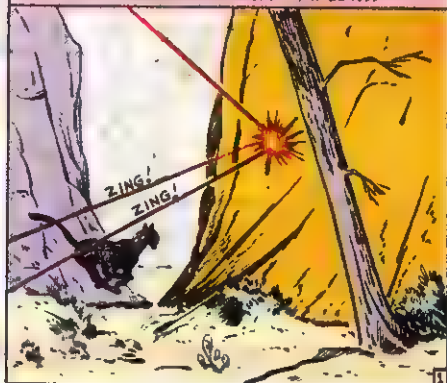

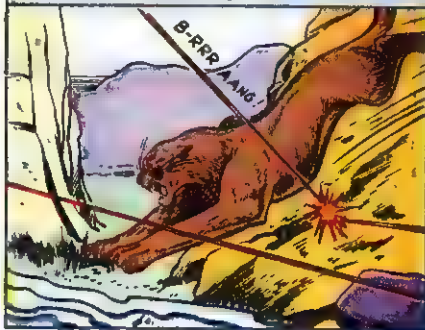

**MENACE
FROM
THE
SKY!**

7472

THE DRY, SHARP AIR OF THE SOUTHWESTERN RANGE
REECHES WITH THE SHATTERING BLASTS OF A DOZEN
CARBINES, AS THE HUGE MOUNTAIN LION, NIMO,
CAUGHT BETWEEN THE WITHERING HAIL, ANSWERS
EACH VOLLEY WITH A SAVAGE GROWL OF
DEFIANCE!

THE TAWNY BODY TWISTS AND TURNS IN AN EVASIVE
ACTION AS THE HUGE CAT, WISE TO THE WAYS OF
MAN, PRESENTS A DIFFICULT TARGET...

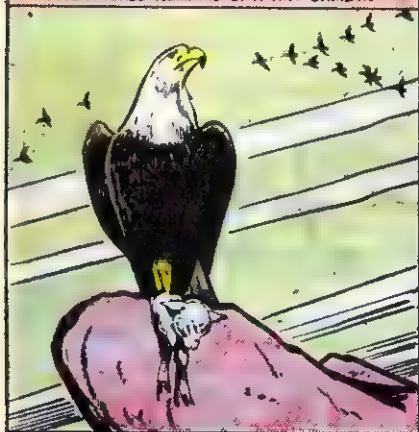

PUT UP YOUR RIFLES, BOYS, HE'S GOT AWAY--BUT I'LL GET THAT SHEEP KILLER YET, IF IT'S THE LAST THING I DO!

WRONGFULLY ACCUSED, THE TAWNY KING VOICES HIS CHALLENGE IN A THROATY ROAR, WHILE THE YELLOW UNBLINKING EYES STARE CONTEMPTUOUSLY AT THE RETREATING BACKS OF THE HORSEMEN...

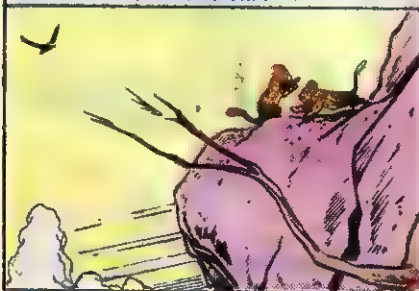

WHILE, ON STILL ANOTHER MOUNTAINTOP NOT-FAR OFF, THE REAL KILLER, A GIANT EAGLE WITH HOOKED TALONS AND MURDEROUS BEAK, STANDS GUARD ABOVE THE SLAUGHTERED REMAINS OF A TINY LAMB...

THEN, SPREADING ITS GREAT WINGS IN FLIGHT, IT TAKES TO THE AIR! THE TINY BLACK EYES, SHOT THROUGH WITH RED, SIGHT A DISTANT PEAK AND WITH A RUSH OF SPEED THE KILLER HEADS IN ITS DIRECTION...

AND ON THIS SAME ROCKY CRAG, THE HOME OF NIMO, HIS TWO TINY CUBS ROMP PLAYFULLY ABOUT IN THE SPARKLING SUNSHINE...COMPLETELY IGNORANT OF THE APPROACHING DANGER!

THE KILLER'S EYES INSTANTLY SPY THE UNATTENDED CUBS AND CHURNING THE AIR WITH FURIOUS STROKES HE PLUNGES IN DOWNWARD FLIGHT UPON THE FRIGHTENED PAIR...

THE WHIMPERING CRIES OF THE MENACED CUBS ARE HEARD BY NIMO, AND ROUNDING THE ROCKY LEDGE HE SIGHTS THE KILLER BIRD JUST BEFORE IT STRIKES!

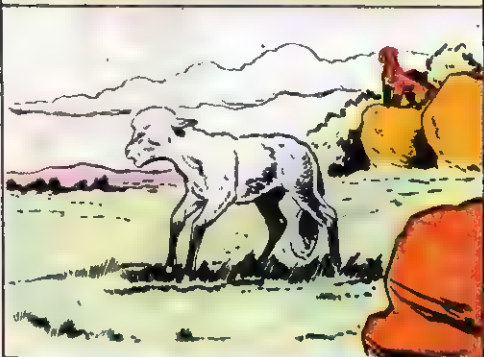

A TERRIFYING SNARL OF RAGE RIPS FROM HIS THROAT, AND LIKE AN UNCOILING SPRING THE GIANT CAT MAKES HIS LEAP...

BUT THE EAGLE WHEELS IN FLIGHT AND STREAKS OFF, WHILE NIMO, WITH HATRED IN HIS HEART, STARES WITH Sullen ANGER AT THE RETREATING GIANT OF THE SKY!

SEEING TO THE SAFETY OF HIS CUBS, THE LITHE CAT ON SILENT PADDED FEET, STALKS TO THE PLAINS BELOW! THEN, SHELTERED BY SOME PRAIRIE GRASS, THE MOUNTAIN KING OBSERVES A YOUNG LAMB THAT HAS WANDERED FROM THE FLOCK...

BUT HIGH ABOVE THE FLOOR OF THE VALLEY, ANOTHER PAIR OF EYES STARES DOWN UPON THE SCENE...

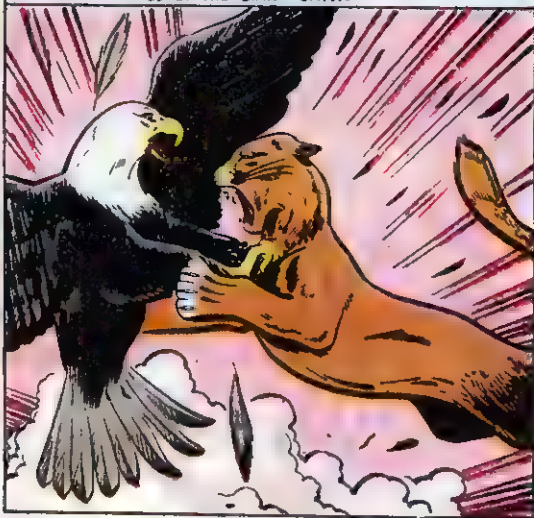

WITH THE SPEED OF A FALLING STAR, THE KILLER SWOOPS EARTHWARD, AND GRASPING TALONS, LIKE STEEL HOOKS, SEIZE THE TINY VICTIM WITH FLASHING SPEED...

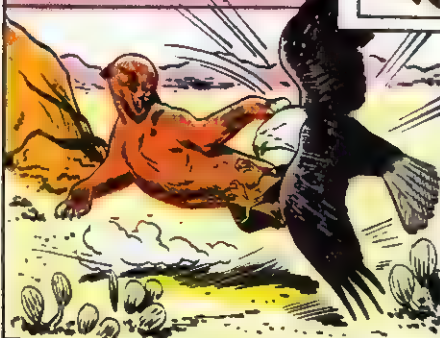

BUT BEFORE THE MURDEROUS BEAK CAN FIND ITS MARK, THE AIR IS RENT BY A HOLLOW ROAR, AND A HUNDRED AND FIFTY POUNDS OF SINEW AND MUSCLE HURLS ITSELF UPON THE KILLER.

THE SLASHING BEAK AND RAZORLIKE TALONS LASH OUT, AS THE KING OF THE AIR MATCHES HIS STRENGTH AGAINST THE CLAW AND FANGS OF THE GIANT CAT...

BUT THE AGILE NIMO, WITH SAVAGE HATRED TOWARD THE CREATURE WHO DARES INVADE HIS KINGDOM, FINDS HIS OPENING, AND... WITH ONE POWERFUL STROKE ENDS THE FATAL STRUGGLE!

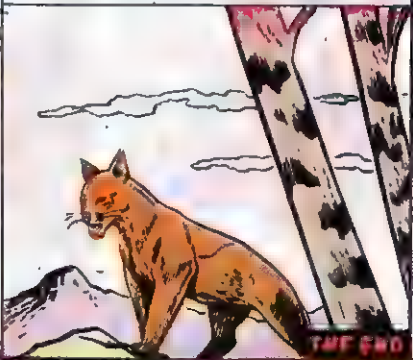

WITH HIS SWORN ENEMY LYING AT HIS FEET, THE AVENGED KING ROARS HIS TRIUMPH, UNMINDFUL OF THE APPROACHING HERDERS WHO HAVE BEEN ATTRACTED BY THE CRIES!

LET HIM GO, BOYS: IT'S PRETTY CLEAR WHO'S BEEN KILLIN' THOSE SHEEP AFTER ALL! THE WAY I SEE IT, HE'S ENTITLED TO HIS FREEDOM!

WITH MAJESTIC STRIDE, NIMO TURNS HIS BACK UPON THE MEN, AND WITH POWERFUL THRUSTS SCALES THE ROCKY SLOPE--TO RETURN TO HIS MOUNTAIN HOME OVER WHICH HE RULES SUPREME!

BLACKHEADS "PET HATE"

Say Men, Girls in Choosing Date

What a "black mark" is the blackhead... according to men and girls popular enough to be choosy about dates!

"Nobody's dreamboat!" "Nobody's date bait!" And that's not all that's said of those who are careless about blackheads. But blackheads ARE ugly! Blackheads ARE grimy! And they DON'T look good in close-ups!

So can you blame the fellow who says, "Sure, I meet lots of girls who look cute at first glance. But if, on that second glance, I see dingy blackheads, it's good night!"

Or can you blame the girl who confesses, "I hate to go out with a fellow who has blackheads. If he's careless about that you're sure he'll embarrass you in other ways, too!"

But you—**are YOUR ears burning?** Well, you've company and, sad to say, good company. There are lots of otherwise attractive fellows and girls who could date anyone they like if they'd only realize how offensive blackheads are... and how easily and quickly they could get rid of them... if they want to!

"He-Man" Often Guilty of Blackhead Crime

Take your "he-man"... super at track, games, sports of all kinds... who thinks that after just a shower he's ready to go anywhere! And won't the girls all admire his muscles!

Sure they admire! But not many dance floors are set up for hurdle races! You can't show off your snappy left hook when only co-eds are in the ring. The "he-man" who's also clean-cut, will get the breaks wherever he is.

Even Cute Girls Become Careless

Easy, too easy, for a girl to think that if she has the latest in clothes and hair-do she needn't bother about blackheads. A little more make-up, she guesses, will take care of that. **BUT MAKE-UP WON'T HIDE BLACKHEADS!** Not unless it's plaster of paris, maybe! And even good make-up "slips" at a dance! So don't take chances, either though you may be!

TAKE THESE TIPS TO BANISH BLACKHEADS

Keep skin clean by washing morning and night with warm, almost hot, water. Use good soap and plenty of it. And finish with cool water.

Extract every blackhead as soon as you see it—with a **SAFE** extractor. Don't use finger nails. Don't squeeze. That may mean infection, injured tissues, a marred skin.

Just be clean! Be quick! And be safe! That's easy! And that's ALL!

FELLOWS! GIRLS!
Keep Skin Clear and Clean!

APPEAR SLIMMER, AND FEEL BETTER!

The UP-LIFT ADJUST-O-BELT lifts and flattens unsightly bulges, comfortably, quickly, firmly. It readjusts easily to changes in your figure, yet no laces touch your body. It gives instant slenderizing figure control. It fashionably shapes your figure to its slimmest lines. Like magic the UP-LIFT ADJUST-O-BELT obeys your every wish. Pounds and inches seem to disappear instantly from waist, hips and thighs. You can adjust it to your slimmed down figure as your figure changes. It gives the same fit and comfort you get from a made to order girdle costing 2 to 3 times the price. It washes like a dream. Style: Panty and regular. Colors nude and white. It's made of the finest stretch material used in any girdle with a pure satin front panel and made by the most skilled craftsmen. It's light in weight but powerfully strong.

It won't roll up, bulge or curl at the top. It gives extra-double support where you need it most. No other girdle at any price can give you better support, can make you look better, feel better or appear slimmer. Sizes 24 to 48 waist.
